ABOUT ME

I am Howard Baatjies, and I started my business because I want to provide for my family. With the drive and skills I possess, I am determined to be successful in my endeavours.

HISTORY

With an astute sense to make a difference in the lives of others, Howard has re-started his business in 2022, after the national lockdown was lifted. Currently, the business can fit build-in cupboards, upholster and refurbish and repair any type of furniture, as well as manufacture creative, bespoke furniture to the satisfaction of its customers.

MISSION

To provide a wide range of quality furniture-related products and services at an affordable price, within the set deadlines.

VISION

To be a reputable and upstanding business with a keen sense of uplifting and supporting the local community.

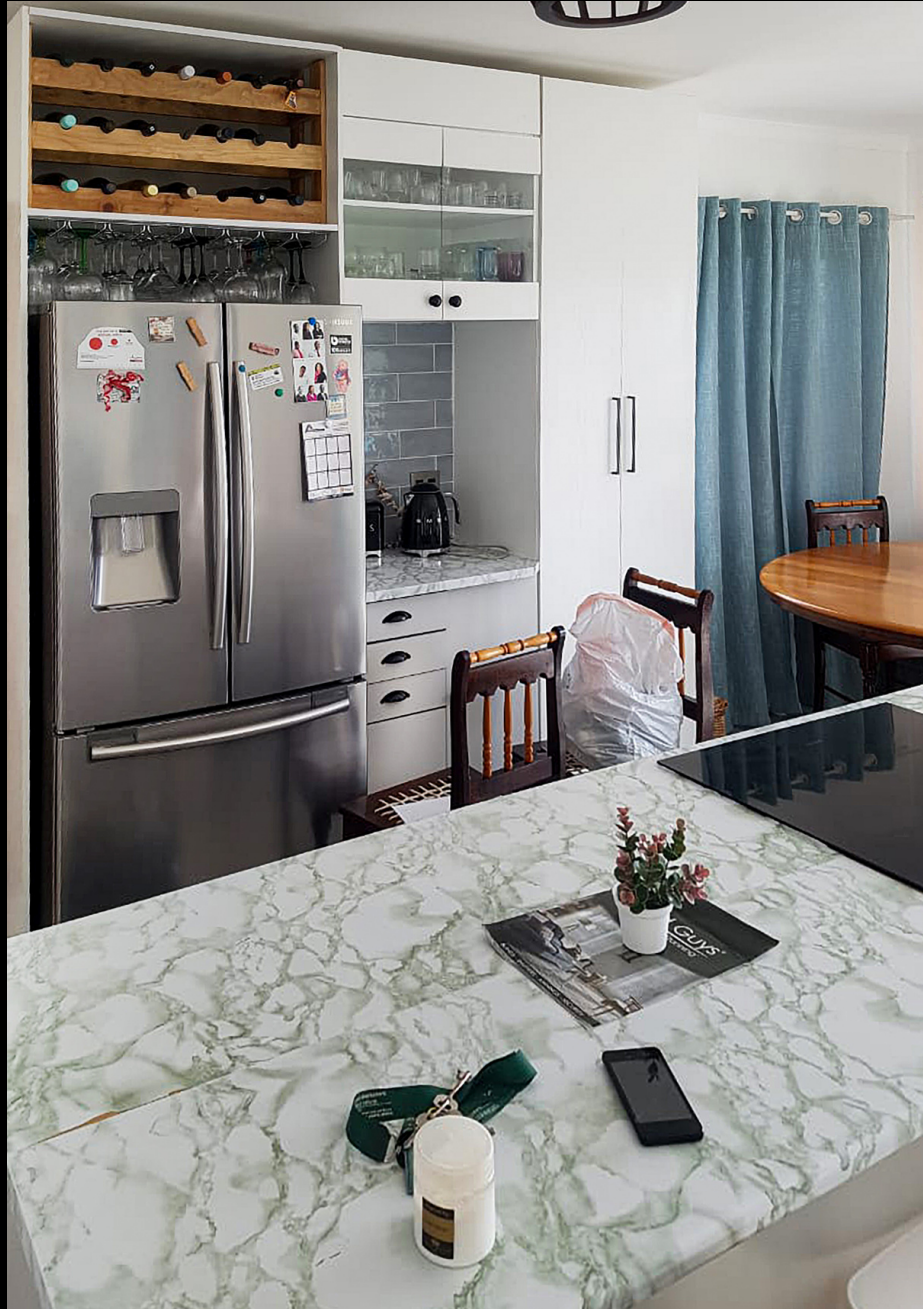

HIGHLIGHTS

Apart from a variety of finished projects to the customers' satisfaction, Howard is proud of how he helps those in need by doing repairs for them, even when payment is sometimes in the form of food or tools.
