# ABOUT ME

I am Ideroos Mullins, a confident and self-sufficient entrepreneur with a passion for working with solid wood and empowering my employees to evolve into better versions of themselves.

# HISTORY

As a recent start-up, Four Seasons Agri was founded in May 2022 to make solid furniture, producing tools and accessories for the food industry and incorporating the agriculture sector into its product range. A key focus of Four Seasons Agri is safety in the workplace and a safe and established environment where its employees can flourish.

# MISSION

To make solid furniture and incorporate the agricultural industry into its product range, while training employees to be multi-skilled in all facets of the business.

# VISION

By supplying quality products to the furniture and agricultural sectors, to be able to expand the business and be able to afford a bigger premises with more employees.

# HIGHLIGHTS

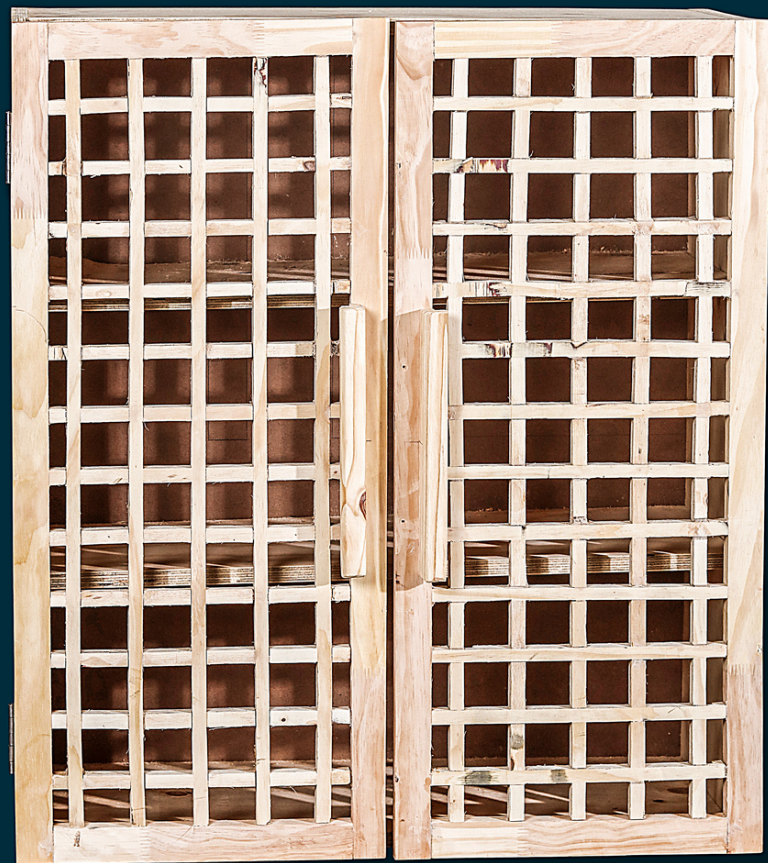

In the past year, Four Seasons Agri managed to solidify its business and customer base and was able to expand its product range across multi-sectors in the furniture manufacturing industry.
