# *introduce* **ABOUT ME**

I am Mattheus Johannes Sebonka, a go-getter with the ambition to have a profitable business, while living out my passion of working with wood.

# HISTORY

MJ Solid Wood Furniture took its name from the initials of its owner when he decided to start his own furniture manufacturing business to manufacture distinct tables, chairs, bedside tables, cupboards, designed with a sense of flair while prioritising customer satisfaction.

# MISSION

To garner interest from leading retail stores in the acquisition of exceptional furniture pieces at an affordable price and delivered on time.

# VISION

To manufacture and supply quality furniture to the retail stores based in Cape Town and to be acknowledged as a leading furniture manufacturing brand in the Western Cape.

# HIGHLIGHTS

The products manufactured by MJ Sold Wood Furniture are durable and have a long lifespan, which make them perfect for creating unique furniture pieces that leaves a lasting impression.
