Mervin Mitchell

Owner

I am Mervin Mitchell and I have a passion for handcrafted furniture, and in addition, I use my company to help those with a criminal record to obtain employment. I believe in second chances and uplifting the members of my community.

What We Do

- Photo Frame
- Wooden bed
- Outdoor Chair

This Is Our History

Founded in 2008, M.B.Z Crafts is a wood-handcraft business specialising in the manufacture of built-in cupboards, double bunk beds, bed bases, headboards, outdoor table and bench sets, jewellery boxes, violin boxes, frames and many more. Deriving the name of the business from the first names of his two sons, Mervin believes his legacy can have a profound influence on their future success as well. M.B.Z Crafts sometimes employs up to six staff members, including women, to meet the the demand from its loyal customers.

Our vision

To be a successful business in the community, M.B.Z Crafts manufactures quality, unique and affordable handcrafted furniture, while making a difference in the lives of its staff and its customers.

What We Do

- Light stand
- Chair
- Frame

our mission

To create and empower young men who cannot get work and are uneducated, thereby assisting them to restore their dignity, so that they can become valued people in their homes and community.

What We Do

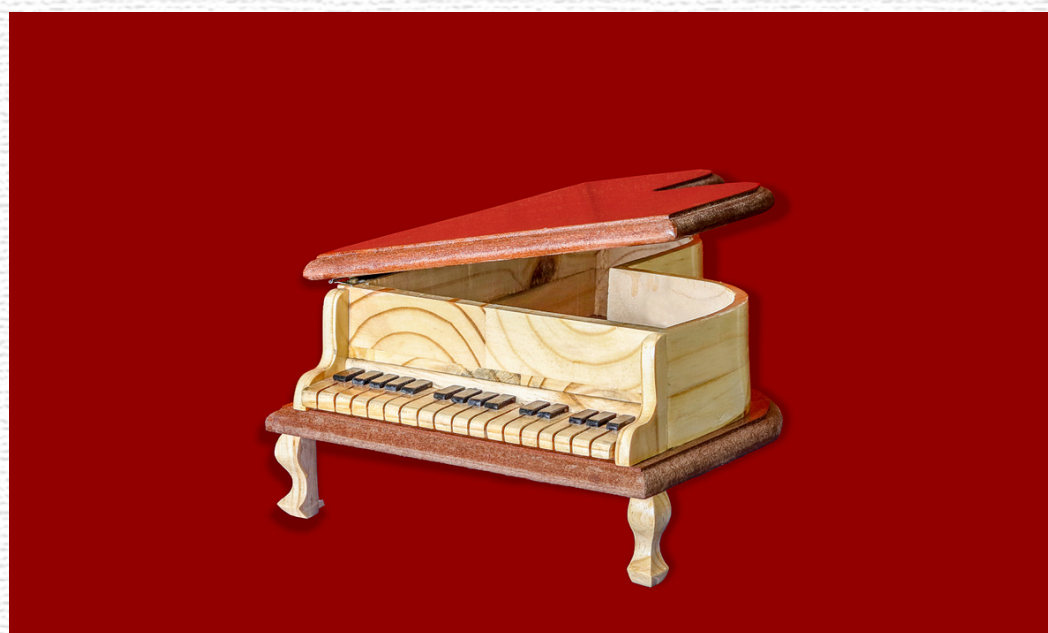

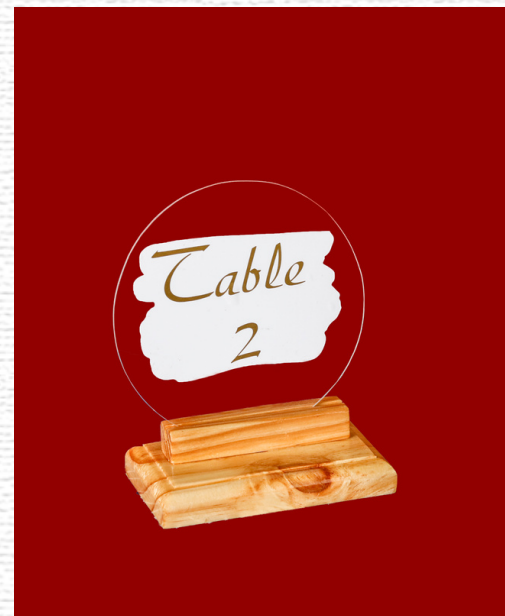

- Light stand
- Chair
- Frame

Highlights

As part of its mission to empower and uplift the local community, M.B.Z Crafts has an agreement with staff to pay 50% of their salaries directly to their families to secure the provision of everyone's basic needs. Mervin is proud of his ability to quote on his handcrafted furniture according to the financial circumstances of his customers, thereby ensuring affordability and expanding on its range
