# Viwe Sishuba

## Designer

I am Viwe Sishuba, an entrepreneur to whom self-management appealed from a young age, while at the same time flying the flag of the family name for posterity.

## What We Do

- Wine Rack
- Drawers
- Toilet Cabinets

# This Is Our History

Established in 2018, VW Esona Sihlobo Carpentry specialises in built-in cupboards and providing furniture to those who cannot afford to buy from larger furniture stores. This unique selling point has worked in its favour as customers from different financial backgrounds are all regular and satisfied customers.

# Our Vision

To expand the business into more branches available in local towns and those further afield.

## what We Do

- Wine Rack
- Drawers
- Toilet Cabinets

# Our Mission

To be able to make a difference in the local community by providing employment, expanding the furniture business and provide quality wooden furniture.
