Zukile Deyi

Owner

I am Zukile Deyi and since I was a child my parents were able to provide for the needs of our family by being able to have a business where they manufactured and sold products to the community. A skill I am now taking a step further.

What We Do

- Coffee tables
- Chests of drawers
- Tv stand
- Cabinets

This Is Our History

In 2019, Zukile Deyi founded Deyi Woods as a continuation of his passion from a young age to create affordable furniture items like chests of drawers, coffee tables, TV stands and cabinets. Tied with his passion is a burning desire to be an independent woodworking specialist with his own successful business and with the ability

Our Vision

To have a business that can employ more staff to provide a variety of furniture products made from hard and rough wood.

What We Do

- Coffee tables
- Chests of drawers
- Tv stand
- Cabinets

Our Mission

To be a successful furniture-manufacturing business with the potential to grow and expand by opening more work space and increase job opportunities for the community.

What We Do

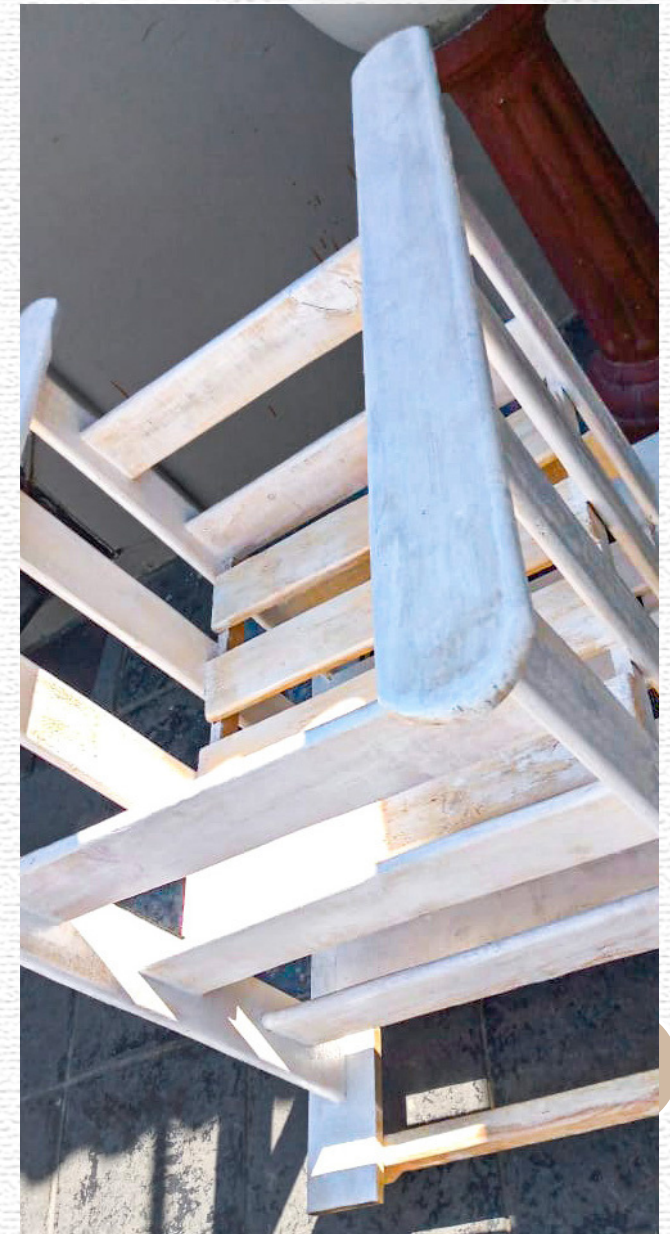

- Coffee tables
- Chests of drawers
- Tv stand
- Cabinets

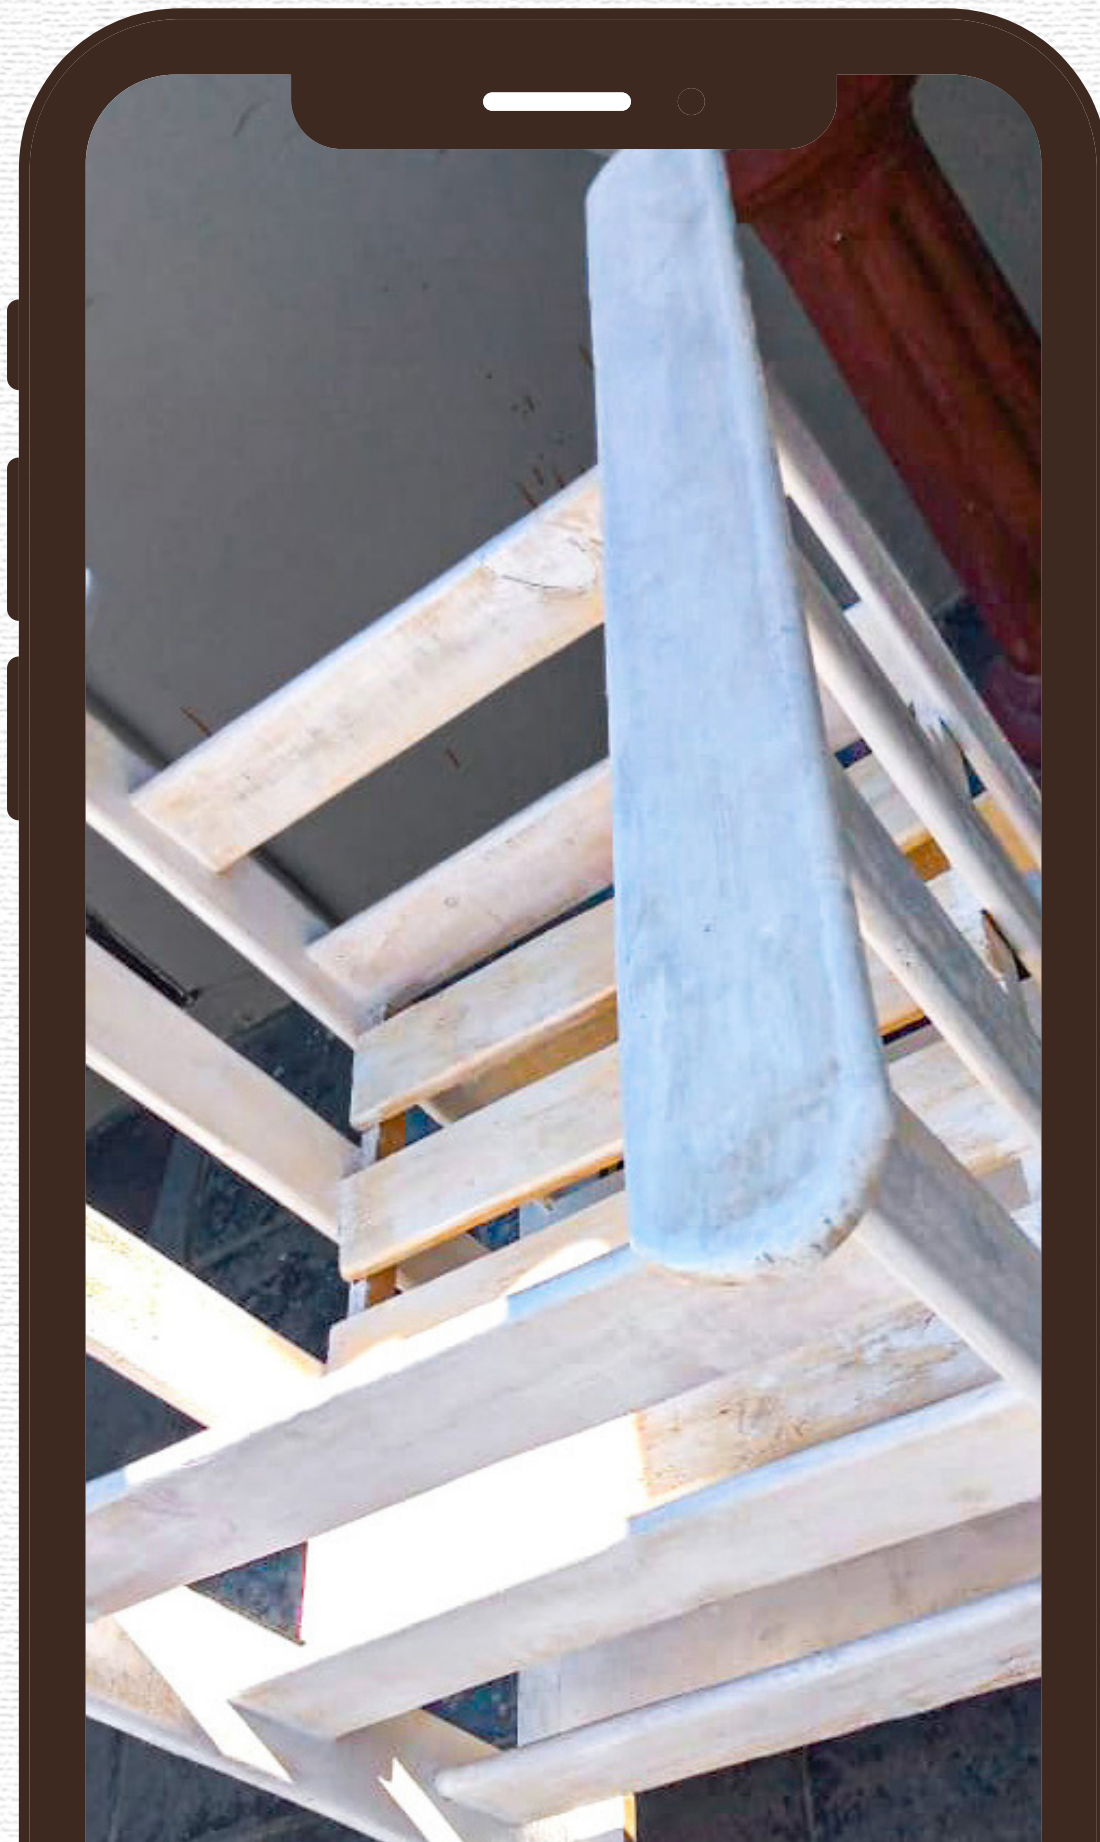

Our Gallery

Highlights

As a start-up business that had to negotiate the challenges of lockdown and electricity supply, Deyi Wood wants to explore, with the necessary funding, opportunities for growth and expansion.
