ZAMBIA OUTWARD TRADE MISSION SEMINAR

The Pavilion in Zambia is a project aimed at increasing mutually beneficial trade and investment activities between South Africa and Zambia in the forestry /furniture sector.

The project involves a number of activities should lead to the following outcomes:

- Promote Export of South African products
- Facilitate investments in the processing industry in the forestry sector
- Facilitate investments in plantations in Zambia

This is a long term project that involves the strengthening of relationships between the two countries at government level as well as with the private sector.

Envisaged activities include seminars, business to business meetings, government to government meetings and other networking opportunities.

The event outlined for the current year is an Outward Trade Mission/Seminar which is to take place in Zambia on the 26th July 2017 - subject to funding approval. The mission will be followed by more focused strategic meetings between companies whom are interested in the trade and investment opportunities which will be discussed at the seminar.

If you wish to participate in the upcoming mission which is to be held in Zambia, please contact Bernadette Isaacs at Bernadette@furniture.org.za or call 021 286 0821/2 for more information.
