Design Joburg

Design Joburg was launched as part of a bigger stable of successful events into the country by Media 10 who saw a need in the market for an inspiring high-end showcase of local and international design and decor.

Design Joburg, featuring Rooms on View, proved to be the new show for exceptional design, quality and inspiration. Design Joburg is the perfect mix of a longstanding favourite local exhibition that highlights the best in the industry paired with the new innovators and emerging talent of South Africa.

WHAT YOU WILL SEE

- Rooms on View making its anticipated return
- Alluring room-sets
- Never before seen collaborative exhibits
- Established and emerging designers and architects spearheading collaborative spaces
- Uniquely curated installations and features
- International flair
